Exclusive for Relocate Global & Think Global People community

EMERGENT LEADERSHIP

The world of work is shifting. Are you ready to embrace the Big Shift?

We are extremely privileged to announce that Professor Vlatka Ariaana Hlupic will lead an exclusive, small group, transformational programme for a limited number of senior leaders, in October/November for the Relocate Global and Think Global People community.

Designed to help you adapt to the new world of work and to build a clear model of leadership that improves organisational performance on a sustainable basis, Vlatka will share the research featured in her award-winning books 'The Management Shift' and 'Humane Capital' as well as her latest research, conducted during the pandemic.

She will enable and empower you to make the Big Shift to a new way of thinking and working, creating ripples throughout your organisation and beyond for a better world.

The Full Programme (typically over 6-8 weeks) includes:

- **The Management Shift individual assessment for leaders** (26 pages report to help individual transformation) *Prior to masterclass*
- **2-hour masterclass with Professor Vlatka Ariaana Hlupic** – 14 October, live and interactive on Zoom
- **The 6 Box Leadership organisational assessment for up to 300 employees** (to guide organisational transformation) *After masterclass*
- **45 minutes one-to-one brainstorming session with Professor Hlupic**, to create a plan of action for transformation.
