

DUKES SCHOOLS & COLLEGES

Academic Highlights 2024

HIGHLIGHTS:

- **Outstanding** A-level results in the college's **first ever** A-level cohort
- One student achieved a stunning **straight five A* grades**
- **92% of students** earned places at **Russell Group Universities** and **42% at the G5 universities** of Oxford, Cambridge, LSE, Imperial College and UCL

Genius teenager **Cesare Mencarini** built a nuclear fusor at CSFC. He's secured a prestigious year of industry work experience before applying for a degree in engineering in 2025.

Sarah, an 18-year-old student from Singapore, has been accepted to Sidney Sussex College at Cambridge University to study Medicine. Sarah achieved **four A*s** in Biology, Chemistry, Maths and Physics.

HIGHLIGHTS:

- **90.6% A*-A grades**
- **87.5% of all students** achieved **three or more A grades** in this year's results and **107 students achieved all A*-A grades**
- **40% achieved** places at the coveted **G5 universities** – Oxford, Cambridge, LSE, UCL and Imperial College.
- **26% of students** accepted to study **medicine** this year
- **10% of the Cardiff Sixth Form College cohort** achieving their places at **Oxbridge**
- **Six students** gained at least **five A* grades** and one student from Cardiff, **Cathy Lou**, achieved a stunning **six A*s** in Biology, Chemistry, Physics, Maths, Further Maths and Chinese and has an offer to read **Medicine at Hong Kong University.**

Inspired by watching Brian Cox on TV, **Leo Rawson** from CSFC Cardiff has secured an offer to study **Physics at Oxford University** after collecting **four A*s** at A-level.

Davis, an ambitious Canadian student secures offer to study **Law at Merton College, Oxford.**

HIGHLIGHTS:

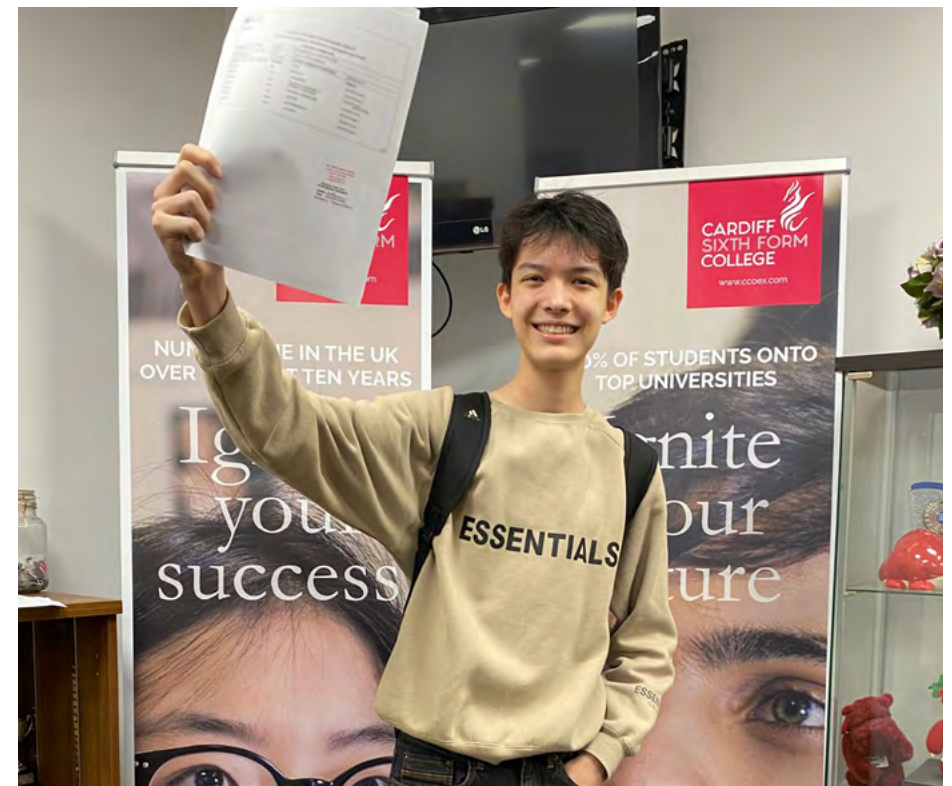

GCSE results for 2024

81.1% 97.5%
grade 9-7 grade 9-4

Helen, achieved **seven grade 9s, two grade 8s and one grade 7.** She also won the Eisteddfod Poetry competition earlier this year.

Braden attained **seven Grade 9s and one Grade 8,** all while playing the role of the genie in the college production of Aladdin and participating in debating.

GCSEs

HIGHLIGHTS:

Earlscliffe is a non-selective school dedicated to offering a personalised pathway for each student, ensuring every individual receives the support they need to succeed. With its fully inclusive approach, the 2024 cohort has achieved remarkable success, securing places at **prestigious universities**.

Of particular note this year are the number of students who achieved distinctions on the one-year course, Diploma in Business and Management, who are now set to progress onto exciting new opportunities.

A-LEVELS

Anna was the Head Girl and an absolute example of the Earlscliffe core values. She worked hard and is a caring and supportive peer. She gained **AAAB** in her A-level grades and is off to study **History of Art at The Courtauld**.

Anamaria joined Earlscliffe for GCSEs and has now achieved **AAAB** in her A-levels. She will study **Graphic and Media Design at UAL**.

Other notable university success stories include...

Pupil Name	University	Course
Timi	King's College London	Global Health & Social Science
Chiemedo	University of Surrey	Media and Communication
Madi	University of Westminster	Business Management
Anna	City, University of London	Business Management
Eloi	University of Exeter	Finance: Business Management
Gleb	University of Reading	Mathematics
Helen	UCL	Bioprocessing of New Medicines
Nina	Royal Holloway	Biomedical Sciences
Maia	Newcastle University	Civil Engineering
Siar	UCA	Architecture
Titan	University of Reading	Biomedical Sciences

HIGHLIGHTS:

Yonglin (top right) joined Earlscliffe in September with only a B1 level of English, but his determination and commitment to his studies led to an impressive achievement in the one-year GCSE programme with outstanding final grades of 9, 9, 8, 8, 7, and 6, a testament to his academic excellence and dedication to personal growth.

Chrito (mid right) completed the one-year GCSE programme with outstanding final grades of 9, 9, 8, 8, 7, and 6, demonstrating particular talent in mathematics. We are confident that he will continue to excel as he embarks on the Earlscliffe A-level programme, where his abilities and dedication will undoubtedly shine.

Orlando (bottom right) successfully completed the one-year GCSE programme with five excellent grades, a reflection of his hard work and determination. We are confident that as he continues through the Earlscliffe A-level programme, he is well on his way to achieving his dream of studying business at a British university.

GCSEs

HIGHLIGHTS:

- Excellent results at FAC with 33% achieving A*/A, almost double the pre-COVID results in 2019 (17%). This improvement ran through the rest of the results: A*-B at 63% in contrast with 48% pre-COVID. A*-C grades also saw a similar increase from 76% to 84%.
- Students beat their predicted grades by almost 20%
- A record number of FAC students have been accepted at top art schools, including the Slade, Central St Martins, and Chelsea. Many others have places at Russell Group universities including UCL, King's, Edinburgh, Durham, Bristol and The Courtauld Institute, amongst others. As always, a few students will go on to study abroad in Paris, New York, and Los Angeles.

A-LEVELS

- **Sophie** achieved superb results with **A*s** in English, Film Studies and History of Art A levels, plus an **A*** for her EPQ. She secured the grades to study **English at the University of Bristol**.
- **Maddie** is following a **Foundation Art course at UAL** for a year, before applying to **Oxford** to study **Fine Art**. She achieved **A*s** in Fine Art, History and English.

HIGHLIGHTS:

Outstanding results in GCSE exams with remarkable improvements from pre-pandemic levels. **62% students achieved a grade 5 or above** in both English and Maths, significantly outperforming last year's national average of 45% and the 43% seen before the pandemic.

Across all subjects, **22% of students secured top grades 9-7**, a 7% rise from 2018. Even more impressively, **80% of students achieved grades 9-4**, marking a 15% increase from pre-pandemic figures.

Particularly outstanding results were in Film Studies, Photography and Religious Studies.

GCSEs

Hampton Court House
